FIVE LITTLE PUMPKINS

Five little pumpkins sitting on a gate
 The first one said "Oh my it's getting late."
 The second one said "There are witches in the air!"
 The third one said "But we don't care!"
 The fourth one said "Let's run and run and run!"
 The fifth one said "I'm ready for some fun."
 Oooooooooooooo went the wind and out went the light
 And the five little pumpkins rolled out of sight.

During this Tot Time, we'll be reading "**There Was An Old Lady Who Swallowed a Bat!**" This is a fun, repetitive book that kids love to act out! It's a perfect not-so-spooky read-a-loud for the Halloween season. Story dramatization helps language development -- so get ready to 'pretend' to swallow that goblin.

INSTRUCTIONS

Combine dry ingredients in large bowl. Add boiling water. Add in your food coloring, if desired.

Using the dough hook on your kitchen aid mixer, mix the dough until it reaches 'play' consistency. If you don't have a mixer, you can certainly mix by hand! But you'll get to a point where you'll want to ditch the spoon and mix by kneading. If you feel like your dough is too watery, add more flour. Too dry? Add more water.

Allow to cool for a few minutes. Play!
